POZDRAVNA REČ

Nakon sedam uspešno organizovanih teniskih turnira tokom protekle tri godine, ove jeseni, ponosni smo što će se u istoriju srpskog tenisa ubeležiti još jedan u nizu ATP turnir – Belgrade Open, koji će Beograd ponovo postaviti u centar svetske teniske mape.

U proteklim godinama više od 30 miliona gledalaca na TV i digitalnim platfromama i preko 100.000 posetilaca na tribinama, koji su sa velikom pažnjom pratili mečeve na šljaci, pokazali su da zaista jesmo zemlja sporta, da možemo biti primer sportskog znanja i kulture publike i da smo više nego dostojan domaćin profesionalnih teniskih turnira.

Belgrade Open donosi mnoge promene koje za nas predstavljaju izazov, ali i ponos što svake godine uspevamo da teniskoj publici pružimo nešto novo i drugačije. Sa terena od šljake, prelazimo na beton, a sa organizovanja turnira na otvorenom, sada ćemo publiku i najbolje svetske tenisere dočekati u legendarnoj Beogradskoj areni.

Pored mnogih promena, naši ciljevi i želje ostaju isti – da učesnicima pružimo najbolje uslove za takmičenje, a publici omogućimo iskustvo praćenja teniskih mečeva koji po kvalitetu ne zaostaju za najvećim svetskim turnirima.

Zato ćemo ove godine prostor Beogradske arene u potpunosti prilagoditi potrebama turnira i napraviti zavidan teniski kompleks. Publika će moći da prati mečeve na dva terena – Centralnom i Grandstand terenu, koje ćemo odvojiti zidom i pružiti jedinstveno iskustvo praćenja tenisa u Areni, kakvo do sada još nije viđeno.

Kao i uvek, mislili smo i na one najmlađe, pa ćemo ove godine imati čak dve FAN zone, koje će ponuditi raznovrsne sadržaje i u okviru kojih će svi posetioci moći da osete atmosferu turnira i provedu nezaboravne trenutke.

Ugostićemo velika teniska imena, pružićemo šansu i novim teniskim nadama, možda stvoriti buduće teniske šampione, i poslati najlepšu sliku iz Beograda u svet.

Hvala vam što ste deo ove teniske priče i radujemo se što ćemo vas ugostiti na još jednom ATP turniru u Beogradu.

Vidimo se u Beogradskoj areni!

direktor turnira Belgrade Open

A WORD OF WELCOME

After seven successfully organized tennis tournaments during the past three years, this fall, we are proud that yet another in a series of ATP tournaments - the Belgrade Open - will go down in the history of Serbian tennis, which will once again place Belgrade in the center of the world tennis map.

In the past years, more than 30 million viewers on TV and digital platforms and over 100,000 visitors in the stands, who followed the matches on clay with great attention, showed that we really are a country of sports, that we can be an example of sports knowledge and audience culture, and that we are a more than a worthy host of professional tennis tournaments.

The Belgrade Open brings many changes that are a challenge for us, but also a source of pride that every year we manage to offer something new and different to the tennis audience. From clay courts, we are moving to hard-court surface, and from organizing outdoor tournaments, we will now welcome spectators and the world's best tennis players to the legendary Belgrade Arena.

Despite many changes, our goals and wishes remain the same - to provide participants with the best conditions for competition, and give the audience the experience of watching tennis matches whose quality can match top world tournaments.

That is why this year we will fully adapt the space of the Belgrade Arena to the needs of the tournament and create an enviable tennis complex. Tennis fans will be able to watch the matches on two courts - the Central Court and the Grandstand Court, which will be separated by a wall and provide a unique and never-before-seen experience of watching tennis in the Arena.

As always, we also thought of the youngest, so this year we will have two FAN zones, which will offer a variety of content and in which all visitors will be able to feel the atmosphere of the tournament and spend unforgettable moments.

We will host big tennis names, we will give a chance to new tennis talents, maybe even create future tennis champions, and send the most beautiful image from Belgrade to the world.

Thank you for being part of this tennis adventure and we look forward to welcoming you at yet another ATP tournament in Belgrade.

See you at the Belgrade Arena!

Director of the Belgrade Open tournament

HUMANITARNI KARAKTER
BELGRADE OPEN TURNIRA

Što zelenije i što humanije – ukratko bi moglo da se opiše ono što daje dodatnu vrednost veličanstvenom teniskom turniru i ove godine.

SVAKI AS, 10 SADNICA – POŠUMLJAVANJE SE NASTAVLJA

Belgrade Open nastavlja sa pošumljavanjem Srbije. Posle sadnje neverovatnih 36.000 sadnica platana i crvenog hrasta, na prethodno odigranom turniru u Beogradu 2022. godine, kada su kroz akciju „1 karta - 1 drvo" upravo ljubitelji tenisa doprineli ovoj važnoj akciji, sada će u prvom planu biti najbolji svetski teniseri. Za svaki servirani AS poen, biće posađeno 10 stabala u gradovima širom Srbije. To je najbolja pozivnica vrhunskim igračima da nasteluju servis i budu što uspešniji u ovom segmentu igre.

DONACIJE OD PRODATIH KARATA

Humanost će biti na delu u Beogradskoj Areni, gde će sav prihod od prodaje karata za mečeve na Grandstand terenu biti doniran deci bez roditeljskog staranja. Karte od samo 150 dinara su najbolji motiv da svi oni koji vole tenis i žele da gledaju najbolje u ovom sportu u našem glavnom gradu, dođu u Arenu, uživaju i ujedno učine dobro delo. Ova humanitarna akcija pokazuje da, kad se svi ujedinimo, možemo da pokrenemo stvari na bolje – da pokažemo da nas u isto vreme tenis uči istrajnosti, posvećenosti i fer-pleju, ali i podseća nas na važnost solidarnosti i zajedništa.

THE HUMANITARIAN CHARACTER
OF THE BELGRADE OPEN TOURNAMENT

As green and as humane as possible – this is how one could briefly describe what gives added value to the magnificent tennis tournament this year as well.

TEN TREES PLANTED FOR EACH ACE – REFORRESTATION CONTINUES

Belgrade Open continues with the reforestation of Serbia. After the planting of an incredible 36,000 sycamore and red oak seedlings, at the tournament in Belgrade in 2022, when tennis fans contributed to this important campaign through the "1 ticket - 1 tree" campaign, the world's best tennis players will now be in the limelight. For every ace point served, ten trees will be planted in cities across Serbia. It is the best invitation for top players to improve their service and be as successful as possible in this segment of the game.

DONATIONS FROM TICKETS SOLD

Humaneness will be at work in the Belgrade Arena, where all earnings from the sale of tickets for matches on the Grandstand Court will be donated to children without parental care. Tickets for only 150 dinars will be the best motivation for all those who love tennis and want to watch the best in this sport in our capital to come to Arena, enjoy the matches, while at the same time helping a charitable cause. This humanitarian action shows that, when we all unite, we can make things change for the better - to show that, while tennis teaches us perseverance, commitment and fair play, it also reminds us of the importance of solidarity and togetherness.

ZANIMLJIVOSTI

O PRETHODNIM TURNIRIMA

CHALLANGER SERBIA OPEN 2021

Organizovan u veoma izazovnim uslovima, uz mnogo Covid19 ograničenja i pravila, kako za sportiste, tako i za organizatore, Challenger Serbia Open je okupio mnoge uspešne tenisere i bio prava poslastica za ljubitelje tenisa. Pobednik turnira bio je Roberto Carballés Baena koji se nakon ovog turnira probio u prvih 100 tenisera.

SERBIA OPEN 2021

Serbia Open 2021. godine je bio prvi ATP turnir u Beogradu posle 9 godina pauze i pokazalo se da je Beogradu definitivno neodstajao tenis, s obzirom na to da je plasirano preko 7500 vesti o turniru i da je 20 miliona gledalaca pratilo turnir preko televizije.

BELGRADE OPEN 2021

Belgrade Open 2021 je bio čak treći ATP turnir organizovan te godine na terenima teniskog centra Novak, nakon turnira Challenger Serbia Open i Serbia Open iz serije 250. Titulu je osvojio Novak Đoković, kome je ovaj turnir, kasnije se pokazalo, bila odlična priprema za Rolan Garos, na kom je takođe trijumfovao dve nedelje nakon trijumfa u Beogradu.

SERBIA OPEN 2022

Zahvaljujući akciji „Jedna karta – jedno drvo“, koja je za cilj imala da za svaku prodatu kartu na Serbia Open turniru 2022. godine posadi jedno drvo u gradovima širom zemlje, Srbija je postala bogatija za čak 36.000 sadnica platana i crvenog hrasta, a novo drveće posađeno je na više od 100 hektata zemlje na 120 lokacija širom Srbije! Ovaj poduhvat je potvrda da turnir Serbia Open nije samo veliki sportski događaj, već i platforma za stvaranje pozitivnog uticaja na čitavo društvo i zaostavštine koja će trajati mnogo duže nego sama sportska manifestacija.

SRPSKA OPEN 2023

Srpska open, prvi ATP turnir održan u Banja Luci, bio je najveći sportski događaj održan u tom gradu u poslednjih 30 godina! Turnir je posetilo preko 55 hiljada gledalaca, što ovaj turnir čini najposećenijim turnirom do sada u našoj organizaciji.

INTERESTING FACTS

ABOUT PREVIOUS TOURNAMENTS

CHALLANGER SERBIA OPEN 2021

Organized in very challenging conditions, with many Covid-19 related restrictions and rules, both for athletes and organizers, the Challenger Serbia Open gathered many successful tennis players and was a real treat for tennis fans. The winner of the tournament was Roberto Carballés Baena, who after this tournament broke into the top 100 tennis players in the world.

SERBIA OPEN 2021

Serbia Open 2021 was the first ATP tournament in Belgrade after a 9-year break, and it turned out that Belgrade definitely did miss tennis, given that over 7,500 news articles about the tournament were published and 20 million viewers watched the tournament on television.

BELGRADE OPEN 2021

Belgrade Open 2021 was the third ATP tournament organized that year on the courts of the Novak Tennis Center, after the Challenger Serbia Open and Serbia Open from the 250 series. Novak Djokovic won the title, for whom this tournament, as it turned out later, was an excellent preparation for the French Open, where he also triumphed two weeks after his victory in Belgrade.

SERBIA OPEN 2022

Thanks to the “1 ticket - 1 tree” campaign, which aimed to plant one tree in cities across the country for every ticket sold at the Serbia Open tournament in 2022, Serbia has become richer by as many as 36,000 sycamore and red oak seedlings, and the new trees were planted on more than 100 hectares of land in 120 locations throughout Serbia! This action confirmed that the Serbia Open tournament is not only a major sporting event, but also a platform for creating a positive impact on the entire society and a legacy that will last much longer than the tournament itself.

SRPSKA OPEN 2023

Srpska Open, the first ATP tournament held in Banja Luka, was the biggest sports event held in that city in the last 30 years! The tournament hosted more than 55 thousand spectators, which makes it the most visited tournament that we have organized so far.

MIOMIR KECMANOVIĆ I HAMAD MEĐEDOVIĆ

Miomir Kecmanović i Hamad Međedović su srpski dubl partneri.

Iako su obojica tenisera tokom karijere uglavnom igrali dubl mečeve sa sunarodnicima, ovo će biti prvi put da će zajedničkim snagama pokušati da dođu do trofeja, baš na turniru u Beogradu.

Miomir iza sebe ima osvojenu jednu titulu u dubl konkurenciji, na turniru u Los Kabosu 2022. godine, kada je trijumfovao u paru sa američkim teniserom Vilijamom Blumbergom, dok je Hamad ostvario najznačajniju pobedu u dubl konkurenciji, baš ove sezone, kada je u Dejvis kupu, u paru sa Novakom Đokovićem, pobedio grčki dubl tandem Cicipas/Tanos i obezbedio srpskoj reprezentaciji ostanak u svetskoj grupi 1.

HAMAD MEĐEDOVIĆ

MIOMIR KECMANOVIC & HAMAD MEDJEDOVIC

Miomir Kecmanovic and Hamad Medjedovic are Serbian doubles partners.

Although both tennis players during their careers mostly played doubles matches with their fellow compatriots, this will be the first time that they will try to win the trophy together, at the tournament in Belgrade.

Miomir has already won one title in the doubles competition at the Los Cabos tournament in 2022, when he triumphed together with the American William Bloomberg, while Hamad achieved the most significant victory in the doubles competition this very season in the Davis Cup, paired with Novak Djokovic - they defeated the Greek doubles tandem Tsitsipas-Thanos and secured the Serbian national team's place in World Group 1.

DŽEJMI MAREJ & DŽON PIRS

Džejmi Marej i Džon Pirs, britansko-australijski dubl tandem, dolaze na Belgrade Open kao šampioni nedavno odigranog turnira iz serije 500 u Bazelu.

Obojica tenisera su u jednom trenutku svoje karijere bili na samom vrhu ATP rang liste za dublove – Džejmi je nekadašnji prvi teniser sveta u dublu, dok se Džon nalazio na drugoj poziciji rang liste za dublove.

Džejmi i Džon su dugogodišnji dubl partneri i osvojili su 7 titula zajedno, od kojih su dve najznačajnije iz serije 500 u Bazelu i Hamburgu.

JAMIE MURRAY & JOHN PEERS

Jamie Murray and John Peers, the British-Australian doubles tandem, are coming to the Belgrade Open as champions of the recently played 500 Series tournament in Basel.

Both tennis players at one point in their careers were at the very top of the ATP doubles ranking - Jamie is the former number one tennis player in the world in doubles, while John was in the second position of the doubles ranking.

Jamie and John have been doubles partners for many years and have won seven titles together, the two most significant of which are the 500 series in Basel and Hamburg.

SADIO DUMBIA I FABIEN REBUL

SADIO DUMBIA I FABIEN REBUL

Sadio Dumbia i Fabio Rebul su francuski dubl partneri koji su do sada zajedno trijumfovali na četiri turnira iz serije 250.

Od te četiri titule, čak tri su osvojene ove sezone, među kojima je i turnir u Čengduu na kom su odbranili titulu osvojenu prethodne sezone. Fabio se trenutno nalazi na 27. poziciji ATP liste za dublove, dok se Sadio nalazi na 30. poziciji.

Njihov stil igre je pogodan za sve podloge, s obzirom na to da imaju osvojene titule i na šljaci i na betonu na otvorenom, kao i u dvorani, koja ih očekuje u Beogradu.

SADIO DOUMBIA & FABIEN REBOUL

Sadio Doumbia and Fabien Reboul are the French doubles partners who have won four 250 Series tournaments together so far.

Of those four titles, three were won this season, including the tournament in Chengdu, where they defended the title they won the previous season. Fabien is currently ranked 27th on the ATP doubles list, while Sadio is ranked 30th.

Their style of play is suitable for all surfaces, considering that they boast titles both on clay and concrete outdoors, as well as indoors, which awaits them in Belgrade.

IVAN I MATEJ SABANOV

IVAN SABANOV I MATEJ SABANOV

Matej Sabanov i Ivan Sabanov su srpski teniski tandem. Zauzimaju 179. odnosno 180. mesto na ATP listi u dubl kategoriji. Juniorsku karijeru zapocinju u TK Palic, a sa 15 godina prelaze u Osijek. Postaju poznatiji teniskoj javnosti kada su osvojili Serbia Open 2021. godine.

Braća rođena u Subotici, inače hrvatskog porekla, odlučili su, da zbog prvog reketa sveta Novaka Đokovića, nastupaju za tenisku reprezentaciju Srbije.

U karijeri su osvojili 29 fjučers trofeja, a sada im je cilj da postanu redovni učesnici na grend slem turnirima i turnirima iz masters serije.

IVAN SABANOV & MATEJ SABANOV

Sabanov brothers are a Serbian tennis duo currently ranked 179th and 180th in the ATP doubles rankings. They started their junior careers at Tennis Club Palić and moved to Osijek at the age of 15. The brothers gained more recognition in the tennis world after winning the Serbia Open in 2021.

Born in Subotica to Croatian heritage, they chose to represent Serbia in tennis due to their admiration for world No. 1 Novak Djokovic.

Throughout their careers, they have won 29 Futures titles, and their goal is to become regular participants in Grand Slam and Masters Series tournaments.

MODA NA TERENU

Legenda kaže da su se tenis i moda prvi put sreli u 16. veku kada je ukazom kralja Henrija VIII otvoren teniski teren u Hempton Kortu. Upravo je tada definisana uniforma, a igrači su morali da imaju duboke čarape i kratke pufnaste pantalone. Time je otvoren meč između tenisa i mode, koji će se nastaviti sve do danas. Ipak, početkom 20. veka, tenis je „dobio" belu boju, a sedamdesetih godina kreće prava modna revolucija na terenima širom sveta...

1970
ARTUR EŠ

Artur Eš, uveo je prugice u modu, kada je u tenisu vladala samo bela boja.

Arthur Ashe, introduced stripes into fashion, when tennis was dominated by white.

1980
GILJERMO VILAS

Giljermo Vilas, bio je prepoznatljiv po dugoj kosi i obaveznoj traci na glavi.

Guillermo Vilas, became recognizable for his long hair and famous headband.

1990
ANDRE AGASI

Andre Agasi, važio je za najlepšeg tenisera osamdesetih, izdvajao se po šarenim bermudama i maramama na glavi.

Andre Agassi was considered the most handsome tennis player of the eighties and he also stood out for wearing colorful bermuda shorts and wide headband.

FASHION ON THE COURT

Legend has it that tennis and fashion first met in the 16th century when a tennis court was inaugurated at Hampton Court under a decree by King Henry VIII. It was then that the uniform was defined, and the players had to have high socks and short puffy pants. This started the match between tennis and fashion, which has continued to this day. Nevertheless, at the beginning of the 20th century, tennis was vested with the color white, and in the 1970s, a real fashion revolution started on the courts all over the world...

2000
RODŽER FEDERER

Rodžer Federer je oduvek bio sinonim za eleganciju i majice sa kragnicma.

Roger Federer has always been synonymous with elegance and polos.

2010
NOVAK ĐOKOVIĆ

Novak Đoković, iako nije mnogo modno eksperimentisao, često je biran za ambasadora prestižnih modnih brendova.

Although **Novak Djokovic** hasn't experimented much with fashion, he is often chosen as an ambassador for prestigious fashion brands.

2020
FRENSIS TIJAFO

Frensis Tijafo, drugo ime mu je - šarenilo. Definitivno, plaža mu je uvek inspiracija.

Frances Tiafoe, his second name is - colorful. Definitely, the beach is always his inspiration.

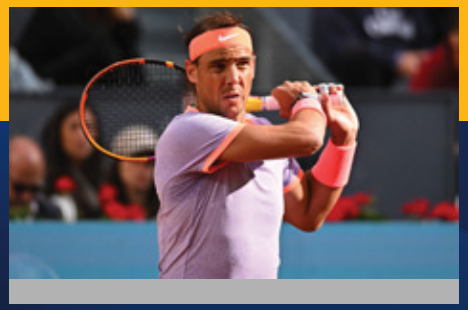

TENISKE TEHNIKE I TAKTIKE

Teško je reći ko igra najlepši, ko najatraktivniji, a ko gladijatorski tenis, ali se definitivno u poslednjih 20 godina najviše pričalo o karakteristikama i specifičnosti u igri Rodžera Federera, Novaka Đokovića i Rafaela Nadala.

Vrhunski tenis se danas igra na sporim i brzim podlogama, preciznije rečeno na šljaci i travi, asfaltu, betonu, tepihu, tarafleksu, a ima terena i na kojima loptice dostižu fantastične brzine prilikom servisa i do 250 kilometara na sat.

Na svim spomenutim podlogama igra je toliko ubrzana, da se često događa da od čitavog meča, jedino se vide servis i volej. Ipak, tenis nisu samo ova dva udarca...

FEDEREROVA LEPOTA I ELEGANCIJA

Lepota i elegancija su sinonimi za igru čuvenog Švajcarca. Njegova tehnika u periodu kada je vladao belim sportom bila je neprikosnovena. Smirenost je definitivno bila Rodžerov zaštitni znak, mada to nije uvek bio slučaj.

FEDERER'S BEAUTY AND ELEGANCE

Beauty and elegance are synonymous with the game of the famous Swiss. His technique at the time when he ruled tennis was unbeatable. Calmness was definitely Roger's trademark, although that wasn't always the case.

NADALOVA IZDRŽLJIVOST

„Svaki poen igraj kao da ti je poslednji", mantra je kojom se vodio tokom karijere sveže penzionisan Rafael Nadal. Čista snaga i izdržljivost, snažan um na dugoj razmeni poena i neprestana upotreba top spinova, odlike su igre pomenutog Španca, koji je kroz karijeru izvojevao mnoge velike pobede, a u karijeri ima 22 Grend slem titule.

NADAL'S ENDURANCE

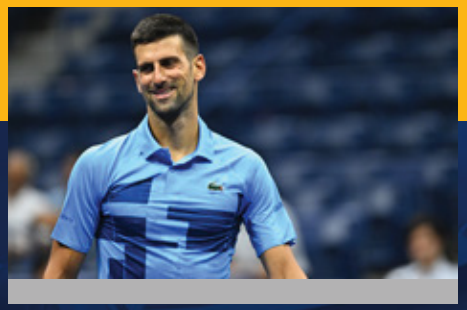

"Play every point as if it were your last", is the mantra that guided the recently retired Rafael Nadal during his career. Pure strength and endurance, a strong mind on a long exchange of points and the constant use of top spins, are the features of Nadal's game, who has won many great victories throughout his career, and boasts a total of 22 Grand Slam titles.

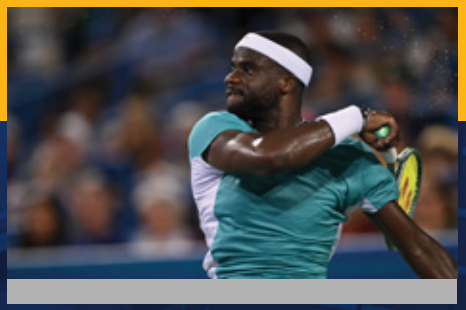

TENNIS TECHNIQUES AND TACTICS

It's hard to say who plays the most beautiful, or the most attractive tennis, and who has a gladiatorial-like style, but definitely in the last 20 years, the most talked about features and specifics in the game are those of Roger Federer, Novak Djokovic and Rafael Nadal.

Top tennis today is played on slow and fast surfaces, more precisely on clay and grass, asphalt, concrete, carpet, taraflex, and there are courts where the balls reach fantastic speeds when serving of up to 250 kilometers per hour.

On all of these surfaces, the game is so accelerated, that it often happens that of the entire match, only the serve and volley are visible. However, tennis isn't just about these two shots.

ĐOKOVIĆEVA MENTALNA SNAGA

Novak Đoković definitivno je teniser sa najboljom mentalnom snagom i riternom. Njegova posvećenost, strast i borbeni duh ga čine ne samo sportskom ikonom, već i uzorom mnogim mladim teniserima, ali i drugim sportistima širom sveta. Sa 24 Grend slem titule, bez premca najbolji je teniser u istoriji belog sporta.

DJOKOVIC'S MENTAL STRENGTH

Novak Djokovic is definitely the one with the best mental strength and rhythm. His dedication, passion and fighting spirit make him not only a sporting icon, but also a role model for many young tennis players and other athletes around the world. With 24 Grand Slam titles, he is unrivaled as the best tennis player in the history of the white sport.

TIJAFO SE ZABAVLJA ČAK I KAD IGRA

Frensis Tijafo pored toga što igra odličan tenis, zabavlja i publiku. Nameštanje na osnovnim udarcima su u principu standardni, jedino je putanja zamaha nešto drugačija, što omogućava Frensisu da povremeno sakrije pravac loptice ili udarac koji će izvesti. Svakako, posle svakog dobrog poena, tu je zabava za publiku.

TIAFOE HAS FUN EVEN WHEN HE'S PLAYING

Francis Tiafoe, who, in addition to playing great tennis, also entertains the audience. Adjustments on basic shots are standard, only the trajectory of the swing is slightly different, which allows Francis to occasionally conceal the direction of the ball or the shot he is about to take. Of course, after every good point, he knows how to entertain the audience.

ДУНАВ ОСИГУРАЊЕ

ULOGA PUBLIKE
NA TENISKIM MEČEVIMA

Publika je nezamenljiv deo teniskih turnira jer ne samo da doprinosi stvaranju atmosfere, već i samom toku meča. Navijači svojim prisustvom mogu inspirisati tenisere da pruže svoj maksimum, dajući im dodatnu motivaciju da se bore za svaki poen. Međutim, tenis, kao jedan od sportova gde je koncentracija ključna, u velikoj meri zavisi od podrške sa tribina, ali i od toga da se poštuju sledeća pravila ponašanja.

TIŠINA TOKOM POENA
Tokom poena, publika treba da bude u apsolutnoj tišini. Svaka buka može ometati igrače i narušiti njihov fokus, što može dovesti do grešaka. Tek nakon završetka poena, aplauz i reakcije publike su dobrodošle.

ULAZAK I IZLAZAK SA TRIBINA
Ulazak i izlazak sa tribina dozvoljen je samo tokom promena strana, tj. kada igrači prave pauzu nakon neparnog broja odigranih gemova (1, 3, 5...). Ulaziti ili izlaziti tokom poena ili na servis protivnika smatra se nepristojnim i može ozbiljno poremetiti tok meča.

NE OMETATI IGRAČE PRILIKOM SERVISA
Servis je jedan od ključnih trenutaka u tenisu, gde je koncentracija igrača na maksimumu. Pravilo nalaže potpunu tišinu i izbegavanje bilo kakvog pokreta ili buke sa tribina kako bi server mogao nesmetano da izvede udarac. Čak i na velikim stadionima, poštovanje ovog pravila je od suštinskog značaja.

IZBEGAVANJE KORIŠĆENJA MOBILNIH TELEFONA
Tokom meča mobilni telefoni treba da budu isključeni ili u tihom režimu kako ne bi ometali igrače i ostalu publiku. Bilo kakav zvuk ili svetlost sa telefona može narušiti pažnju tenisera.

POŠTOVANJE OBA IGRAČA
Iako publika često navija za svog favorita, važno je da pokaže poštovanje prema svim učesnicima meča. Nema mesta za uvrede, zviždanje ili slične nepristojne gestove prema protivniku. Fer-plej na terenu važi i za tribine.

THE ROLE
OF THE AUDIENCE AT TENNIS MATCHES

The audience is an irreplaceable part of tennis tournaments because it not only contributes to creating the atmosphere, but also to the course of the match itself. With their presence, fans can inspire tennis players to give their best, providing them with additional motivation to fight for every point. However, tennis, as one of the sports where concentration is key, largely depends on support from the stands, but also on observing the following rules of conduct.

SILENCE DURING THE POINT
During the point, the audience should be absolutely silent. Any noise can distract players and break their focus, which can lead to mistakes. Only after the end of the point, applause and audience reactions are allowed.

ENTRY AND EXIT FROM THE STANDS
Entry and exit from the stands is allowed only during the change of sides, i.e. when players take a break after an odd number of games is played (1, 3, 5...). Going in or out during a point or on an opponent's serve is considered rude and can seriously disrupt the flow of the match.

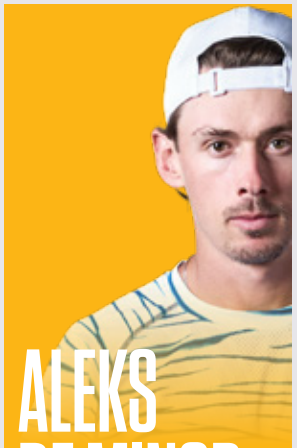

DO NOT DISTURB THE PLAYERS DURING THE SERVE
The serve is one of the key moments in tennis, where the player's concentration is at its peak. The rule dictates complete silence and the avoidance of any movement or noise from the stands so that the server can perform the shot without hindrance. Even in large stadiums, compliance with this rule is essential.

AVOIDING THE USE OF MOBILE PHONES
During the match, mobile phones should be switched off or on silent mode so they don't disturb the players and other spectators. Any sound or light from the phone can disturb the tennis player's attention.

RESPECT FOR BOTH PLAYERS
Although the crowd often cheers for their favorite, it is important to show respect for all participants in the match. There is no place for insults, whistling or similar rude gestures towards the opponent. Fair play on the court also applies to the stands.

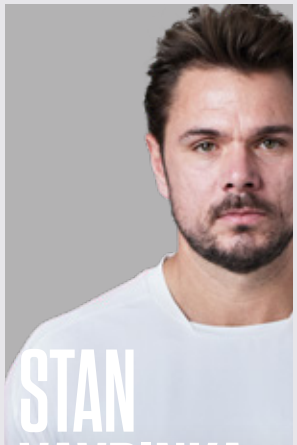

DA LI STE ZNALI?

ALEKS DE MINOR

Pored neobičnog nadimka Demon, ima i neobičnu tetovažu – na grudima je istetovirao broj “109”, jer je bio 109. igrač koji je predstavljao australijski Dejvis kup tim.

In addition to the unusual nickname Demon, he also has an unusual tattoo - the number “109” tattooed on his chest, because he was the 109th player to represent the Australian Davis Cup team.

STAN VAVRINKA

Iako je rođen kao Stanislas Vavrinka, u kasnijem delu karijere odlučio je da koristi skraćenu verziju imena – Stan Vavrinka, smatrajući da je lakše za izgovor i prepoznatljivije na svetskoj sceni.

Although he was born as Stanislas Wawrinka, in the later part of his career he decided to use a shortened version - Stan Wawrinka, considering it easier to pronounce and more recognizable on the world stage.

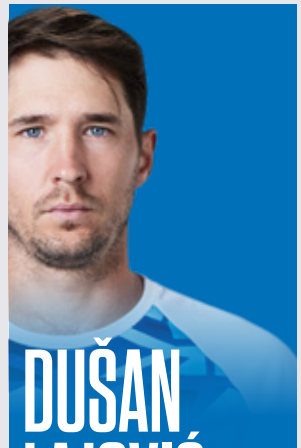

MARIN ČILIĆ

Pre nego što je odlučio da se u potpunosti posveti tenisu, Čilić je pokazivao veliki talenat za matematiku. Iako je teniska karijera prevagnula, Čilić i dalje voli da rešava matematičke zadatke u slobodno vreme.

Before he decided to fully devote himself to tennis, Čilić showed a great talent for mathematics. Although his tennis career ultimately prevailed, Čilić still likes to solve mathematical problems in his spare time.

DID YOU KNOW?

DUŠAN LAJOVIĆ

Kada nije na terenu, Lajović voli da svira gitaru, a muzika mu je jedno od omiljenih sredstava za opuštanje. Često ističe da mu sviranje gitare pomaže da se mentalno odmori i zaboravi na pritiske sa turnira.

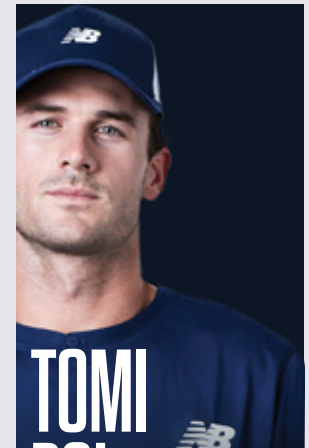

When he is not on the court, Lajović likes to play the guitar, and music is one of his favorite ways to relax. He often points out that playing the guitar helps him mentally relax and forget about tournament related pressure.

FRENSIS TIJAFO

Sa samo 17 godina, Tijafo je postao najmlađi Amerikanac u istoriji koji je osvojio titulu na ATP čelendžer turniru, što je pokazalo njegov ogroman potencijal i talenat.

At just 17 years old, Tiafoe became the youngest American in history to win an ATP Challenger title, showcasing his immense potential and talent.

TOMI POL

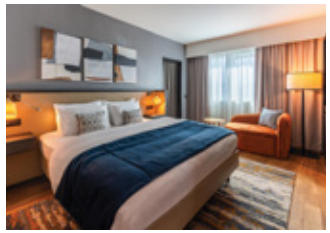

Počeo je da igra tenis sa 7 godina, a njegov idol tokom odrastanju bio je Endi Rodik. Neuobičajeno za američkog tenisera, odrastao je igrajući na terenima sa šljakom u Grinvilu, NC. Njegovi hobiji su surfovanje, košarka, golf i motokros.

Began playing tennis at age 7 and his idol growing up was Andy Roddick. Unusually for American tennis player, he grew up playing on clay courts in Greenville, NC. His hobbies include surfing, basketball, golf and dirt-biking.
